

## **Mahachulalongkornrajavidyalaya University Regulation Dealing with the Education at the level of Bachelor's Degree, (The 3<sup>rd</sup> Edition) the Rectified Edition of B.E. 2551 (2008)**

---

As it is regarded suitable to improve and rectify the Regulation of Mahachulalongkornrajavidyalaya University dealing with the education at the level of Bachelor's Degree B.E.2542 (1999) to be more appropriate.

By virtue of the content in provision 19 (2) of the Act of Mahachulalongkornrajavidyalaya University B.E. 2540 (1997) and the Resolution of the University Council at the meeting of 5, B.E. 2551(2008) on Thursday, July 31, B.E. 2551(2008), the following regulations shall be issued:-

**Item 1:** This regulation is called 'Mahachulalongkornrajavidyalaya University Regulation dealing with the education (the 3rd Edition), rectifying and adding of B.E. 2551 (2008).'

**Item 2:** This regulation shall be used for the students from the educational year of B.E. 2551 (2008) onwards.

**Item 3:** Any rules, orders, regulations, instruction, specification, or other announcement which are contradictory to this regulation, this regulation shall be in force instead.

**Item 4:** The Rector shall be on duty according to this regulation.

**Item 5:** The Regulation No.10 of Mahachulalongkornrajavidyalaya University dealing with the education at the Bachelor's Degree level of B.E. 2542 (1999) shall be cancelled and the following statements shall be used instead :-

‘No.10 In the management of education in the university the semester credit system shall be used, by dividing the educational time of each year into 2 usually educational semesters.

10.1 The first semester consists of the time for study not less than 15 weeks.

10.2 The second semester consists of the time for study not less than 15 weeks.’

Besides, a summer session shall be arranged for the students after the second semester with period of time for learning not less than 6 weeks, but the hours for learning each subject shall be added to be equal to the general education. The summer session is not a compulsory one.

**Item 6:** The regulation No.11 of Mahachulalongkornrajavidyalaya dealing with the B.A. education of B.E.2542 (1999) shall be cancelled and the following contents shall be used in stead:-

‘No.11 The period of time for education according to the curriculum of B.A. The time for studying of B.A. levels shall not be more than 8 educational years, and the students must practice the work provided by the University.

Regarding the course of study in the Faculty of Education, the period of time to study is not more than 10 educational years. The practice of work in this Faculty as assigned education by the University is counted as the 5th year of education.

This is with the exception of No.8 which must be according to what is fixed by the University. Regarding those who come to study in the continued course of study, the period of study shall be according to what is fixed by the University.’

**Item7:** The 15 regulation issued by Mahachulalongkornrajavidyalaya University dealing with the education at the B.A. level. In B.E.2542 (1999) shall be cancelled and the following statement shall be used instead:-

‘No.15 Each Faculty of each college shall assign the curriculum and the number of credit to be learnt with Buddhism as the main subject and the general subjects as assigned by the University in each curriculum.’

**Item 8:** The regulation No.16 dealing with the education at the B.A. level, B.E. 2542 issued by Mahachulalongkornrajavidyalaya University shall be cancelled and the following statements shall be used instead :-

‘No.16 The selection and the change of the subject of the main subject shall be the duty and the responsibility of the Faculty of the college in issuing the order and fixing the norms.’

**Item 9:** The regulation No.26 dealing with the educations at B.A. level, B.E. 2542 (1999) issued by Mahachulalongkornrajavidyalaya University shall be cancelled and the following statements shall be used instead:-

‘No. 26 The numbers of credits which the students may register for leaning are as follows:-

26.1 The students of complete state shall register for learning the subject in the usual educational Faculty of not less than 9 credits and not more than 22 credits. This is with the exception of the students in the Faculty of Education who have to follow the curriculum of the Faculty which the University has already announced to be in use. Regarding the summer course of the study, the students shall register to learn the subject of not more than 10 credits.

26.2 The students who are in the state of waiting for being punished in the general semester shall register for learning the subjects of not less than 6 credits and not more than 15 credits. In the summer educational faculty, the subjects of not more than 6 credits shall be registered for learning.

26.3 The students who are allowed to study in a special case by the University, shall register for learning the subject advised by the advising teacher.

26.4 The curriculum of B.A. shall be studied by the student at not less than 6 semesters. For the Faculty of Education, it must not be more than 8 general semesters.'

**Item10:** The regulation No.28 issued by Mahachulalongkornrajavidyalaya University dealing with the B.A. education, B.E. 2542 (1999) shall be cancelled, and the following statements shall be used:-

'No. 28 to add and to withdraw the subject for learning.

28.1 To ask for more subjects to study can be done within 15 days after the opening of the general education or within seven days after the opening of the education in summer. This must be permitted by the teaching teacher or the advising teacher.

28.2 To withdraw any subject must be permitted by the teaching teacher and by the advising teacher under the following conditions and the results:-

28.2.1 If the withdrawal is done within the first 15 days of the summer semester, or the first 7 days of the summer semester, the students are ordered to stop the education for some time, the withdrawing will not appear in the sign of W in the registrar.

28.2.2 If the withdrawal is done after 15 days, but is in first 15 days of the semester, after the first seven general day, but it is still with the first 24 days of the summer semester, it is regarded that the students withdraw themselves from the study of the that subject and they will receive the symbol of W in that subject. That is to say, the

students must have got the learning time of not less than 80%.

28.2.3 The withdrawal after passing the limit according to No.28.2.2, cannot be done without the approval given by the Faculty committee or the college committee. In this case, the student will receive the symbol of W in the subject which the committee allows to withdraw.

28.2.4 In the withdrawal not approved by the Faculty committee or the college committee according to No.28.2.3, the student will receive the F Level in such the subject which can also be brought for calculating the average.

28.2.5 The students cannot withdraw the subject up to the remaining credit lower than 9 in the regular semester unless they receive the permission from the Faculty committee and the college committee''

**Item11:** The regulation No.32 of Mahachulalongkornrajavidyalaya University dealing with the education at the level of B.A., B.E. 2542 shall be used instead of that :-

‘No. 32 The students must have the time for learning each of the registered subjects not less than 80% of the whole learning time. In that term, the student will have the right to sit for examination of that subject with the exception of the case in No.25.5.

The student who has not the full time of learning any subject and does not receive a permission from the Dean of the college , Director will get F in that subject which must also be brought for calculating the average.’

**Item12:** The regulation No.65 of Mahachulalongkornrajavidyalaya University dealing with the education of the level of B.A. B.E. 2542 shall be cancelled and the following statements shall be used instead:-

‘No. 65 The student who is to receive the honorary degree shall have the following additional qualities:-

65.1 The first class honorary degree.

65.1.1 The student must receive a full credit completely in curriculum within the limited time fixed in such the educational curriculum.

65.1.2 The student has passed the examination with the collected average of each subject not less than 3.50.

65.1.3 The student has never got the mark of less than C or the symbol U in each of the registered subjects.

65.1.4 The student has no a history in the list of education as the one who used to behave very wrongly during the time of studying.

65.2 The secondary honors.

65.2.1 The student must have the complete credit according to the curriculum within the fixed period of time in such the curriculum.

65.2.2 The student has passed the exam with the accumulated average of every subject not lower than 3.25.

65.2.3 The student has never got the mark lower than D or got the symbol of U in the registered subject.

65.2.4 The student has never got the historical note of being the one who behaved wrong doing during the time of his study.’
